New Price List valid from 01.10.2018

Dear Ladies and Gentleman,

Please kindly be informed, that we will launch our new price list valid from 01.10.2018.

Alteration in prices on the resourcing markets for raw materials, as well as the revision/updating of our product range made this action necessary.

The new prices are valid from October 1st 2018, the previous ones will become invalid.

We reserve the right to make future price adjustments due to increased raw material prices or exchange rate fluctuations.

The download in the webshop for the new price list, will be opened from 3rd of September.

If there are any questions, please do not hesitate to contact us.

Best regards
Head of Export Sales
